

THE PROBLEM

26 million

Americans live in an unmarried-couple home.

When it ends, nobody mediates.

U.S. Census Bureau, 2020 Census

59%

of adults 18–44 have lived with a partner they weren't married to. Only **50%** have ever married.

Pew Research Center, 2019

49%

of couples who move in before marriage split up within 5 years. For first marriages it's **20%**.

CDC, National Center for Health Statistics

\$3k–9k

is what divorce mediation costs. Couples who only shared a lease have nothing built for them.

divorce.law, SoFi, 2025

29%

of pet owners have split up while sharing a pet. Only **6%** ended up sharing custody.

MetLife Pet Insurance survey

0

automatic property rights for unmarried partners in most states. It comes down to whose name is on the receipt.
